RE: Kari Berit Gustafson
Age in Motion, Inc.

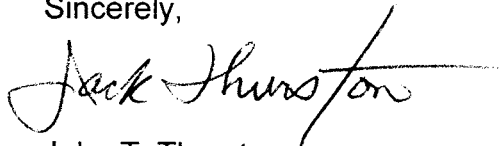

Dear Mary:

The Wisconsin Carpenters' Benefit Funds present Pre-Retirement Conferences a couple times each year to our Participants.

We've had the pleasure to work with Kari Berit Gustafson as a featured speaker at our conferences since 2002. She's a dynamic and talented speaker who delivers a humorous, positive presentation on aging myths and the aging process and we would highly recommend her to the International Foundation.

If you have any questions, please call me at (715) 835-3174, extension 613.

Sincerely,

John T. Thurston
Administrative Manager
